Hello Provo High Families!

Mr. Ray has given me, Mrs. Briggs, the opportunity to write this newsletter. As the new semester begins, we hope all of our students will take the opportunity of a fresh start to focus on their school learning. Teachers meet together each Monday morning at 7 a.m. to plan for improved instruction in their classes. They are available to students every Tuesday through Thursday during Intervention time. We expect all students to attend Intervention with their planner. Each Monday morning, the first hour teacher will help your student plan where they will go during Intervention time. Students can get extra help, work to catch up in classes and if passing classes, enjoy activities in classrooms and in the gyms.

Our goal is to increase the number of students mastering the content of their classes and receiving credit toward their diplomas. Parents can help by checking their student's grades and directing them to go to Intervention when extra help is needed. We ask that you check your student's grades and attendance once a week on PowerSchool. Please contact the school if you or your student does not know how to check grades and attendance and we will help you.

We are pleased to announce that all of our 11th grade students will take the ACT test on March 1st, and that there will be no cost to families for the test. We are part of a pilot program from the state that allows our students this opportunity. Tenth grade students will be invited to take the Pre-ACT PLAN test on the same day. Ninth and 12th graders will be excused from school on that day. We want more of our students to prepare for college and offering this opportunity will help them. The state has discontinued the UBSCT testing that used to last for three mornings in early February.

We appreciate the support of families as we work to improve your student's preparation for life. Thank you for the wonderful students you send us each day.

Sincerely,

Mrs. Stacey Briggs, Asst. Principal

2nd Term Report Cards will be posted on Friday, January 21st. Report cards will not be printed and distributed to students. Parents and students can access the 2nd term report cards on PowerSchool starting at noon on Friday, January 21st. The computer lab will be available during lunchtime for students to print their report cards.
Hola queridas familias de Provo High

Mr. Ray me ha dado a mi, Mrs. Briggs, la oportunidad de escribir esta carta. Al comienzo del segundo semestre, esperamos que todos nuestros estudiantes aprovechen la oportunidad de empezar de nuevo, de concentrarse en el aprendizaje. Los maestros se reúnen cada lunes a las 7 de la mañana, para planear como mejorar la instrucción en sus clases. Están disponibles para los estudiantes de martes a jueves durante el tiempo de Intervención. Esperamos que todos los estudiantes asistan a Intervención con sus agendas. Cada lunes en la mañana, el maestro de la primera hora ayudara a su estudiante para saber donde ir durante el tiempo de Intervención. Los estudiantes pueden tener ayuda extra, trabajar para lograr estar a nivel y pasar sus clases, disfrutar de actividades en sus clases y en los gimnasios.

Nuestra meta es aumentar el numero de estudiantes que tengan el conocimiento necesario el conocimiento para pasar sus clases y recibir crédito para su diploma. Los padres pueden ayudar al chequar las notas de sus estudiantes y dirigirlos a sus tiempos de intervención cuando necesiten ayuda extra. Les pedimos que chequen las notas y asistencia de sus estudiantes una vez a la semana en PowerSchool. Por favor, llaman a la escuela si sus estudiantes no saben como chequear sus notas y asistencia y nosotros les ayudaremos.

Nos complace anunciar que todos nuestros estudiantes de 11º Grado tomaran la prueba ACT el 1 de Marzo y no habrá costo para las familias por tomarla. Somos partes de un programa piloto del estado que permite que nuestros estudiantes tengan esta oportunidad. Los estudiantes de grado 10º tendrán la oportunidad de tomar la prueba de preparación para el ACT PLAN el mismo día. Los estudiantes de los grados 9º y 12º no vendrán a clase ese día. Queremos que mas de nuestros estudiantes se preparen para la Universidad y al ofrecerles esta oportunidad les ayudaremos. El estado ha descontinuado la prueba UBSCT que solía tomar tres días en el mes de febrero.

Apreciamos el apoyo de las familias al tratar de mejorar la preparación de sus estudiantes para la vida. Gracias por los maravillosos estudiantes que nos envían cada día.

Sinceramente,

Mrs. Stacey Briggs, Asst. Principal

### Important Calendar Update

**Parents please take note**

On Tuesday, March 1st all **sophomore and junior students** will be taking national tests. The sophomores will take the PLAN Test and the juniors will be taking the ACT Test. Both of these tests will be administered at no charge to the student.

**Freshman and Senior students** will be excused from attendance that day.

### PARENT TEACHER CONFERENCE

**Wednesday, February 16**

**3:00 pm to 7:00 pm**

**PHS Parent Night**

This month’s parent night meeting will be a presentation from PHS counseling providing parents with information on discussing relationships and intimacy with their children. All parents of PHS students are invited. We will meet on Thursday, January 20th at 6:30 pm in the PHS presentations room. Free childcare will be provided.

PHS will be offering a mediation class for parents and students starting on January 26th at 7:00 pm. Students who complete the four class course with their parents will receive up to eight tardy make-up credits. Please contact Jonathan Rohwer for more information 801-373-6550 ext. 3322.

La noche de padres de este mes será una presentación dada por los consejeros de PHS con información en cuanto a como hablar de las relaciones íntimas con sus hijos. Todos los padres de estudiantes de PHS están invitados. No reuniremos el 20 de enero a las 6:30 en el cuarto de presentaciones de PHS. Habrá cuidado de niños gratis.

Se ofrecerá una clase de mediación por los padres y estudiantes empezando el 26 de enero a las 7:00 pm. Al cumplir el curso de cuatro clases el estudiante recibirá hasta ocho créditos de tardy make-up. Favor de llamar al 801-373-6550 ext 3322 con preguntas.

### School Fees

We will be preparing statements again soon for school fees. Please be sure that all student accounts are paid in full. With students schedules changing at the semester make sure students have turned in all textbooks for classes they are no longer taking. Senior students must clear with our business office prior to graduation. Fee Waiver applications are still available in the Main Office. Thank you for your attention to this matter.

**Cuotas de la escuela**

Estaremos escribiendo las notas otra vez acerca de las cuotas de la escuela. Por favor, asegúrense que las deudas de sus estudiantes sean pagadas en su totalidad. Al cambiar el horario de los estudiantes en este nuevo semestre, están seguros que ellos hayan devuelto todos los libros de esas clases que ya no tienen. Los estudiantes de ultimo grado deben tener todas sus cuentas pagadas antes de la graduación. Las solicitudes de gratuidad todavía están disponibles en la Oficina Principal. Gracias por su atención en esta materia.
Congratulations to our 2010 Sterling Scholars

Congratulations to Mr. Albert Ricci. Mr. Ricci has received the Outstanding Educator Award from the University of Chicago. He was nominated by last years graduate, Daniella Anaya, who is now attending the University of Chicago. The goals of this award are to recognize teachers that have influenced their students by challenging them intellectually or have channeled their private interests into productive paths. The University of Chicago recognized Mr. Ricci for his excellence in teacher and thanked him for his commitment to the education of his stu-

Celebration in order for Coach Drury

Provo High School’s boys basketball team helped Coach Drury’s win total over the 500 mark. We are so proud of Coach Drury’s excellence in coaching our boys basketball team. Coach Drury has won eight state championships, more than any other Utah prep coach.

Congratulations Coach Drury.

Congratulations to our PTA Reflections Contest Winners

Auto Students Excel ! !

We express congratulations to Provo High seniors Jacob Shelley (1st Place) Brycen Conk, Mark Taylor, and Alastair Leavitt (3-way tie for 2nd Place) who competed in a written automotive test competition against more than 500 senior automotive students from 50 high schools and applied technology centers in the intermountain region. They have qualified as one of 24 schools invited to the final hands-on competition to be held February 17, 2011.
Athlete of the Month

**Alexis Bosco.** Senior Alexis Bosco has been named the female “Student Athlete of the Month” for the month of November. She is one of the captains of Coach Moore’s basketball team this season. Coach Moore describes Alexis as a “sharpshooter” because of her ability to hit a shot from anywhere on the court. She is one of the hardest workers on the team and puts in countless hours in the gym working on her jumper. In addition to shining on the basketball court, Alexis is also a star in the classroom. She is currently in the top 10% of seniors with a GPA of 3.93. Alexis has taken several AP and concurrent enrollment classes. Alexis is the Member Meetings Specialist on the National Honor Society Student Council. She is always eager to take on additional assignments and responsibilities to help others. Alexis is also involved in Health Occupations Students of America (HOSA). Alexis is also the #1 gofer on the girl’s golf team.

**Braden Griffen.** Sophomore Braden Griffen has been named the male “Student Athlete of the Month” for the month of November. Braden could be considered the best pound for pound wrestler on Coach Miller's squad this season. He is returning after a strong freshman year where he finished 2nd in region wrestling at the 103-pound class. What is even more impressive about this feat is that he only weighed 85 pounds. This season he bulked up and put on the pounds to get to 103 pounds. Braden is starting his sophomore season off strong finishing 8-0 at this years Titan Duals. Not only is Braden a hard worker on the mat he also is a hard worker in the classroom. His hard work is paying off and it shows with his GPA of 3.78. So far this year, Braden is one of the few students this year to not have a tardy in any of his classes. Braden is also a pretty good baseball player and will play a role in the future of Coach Moore’s successful baseball program here at Provo High.

**Melaina Morales.** Senior Melaina Morales has been named the female “Student Athlete of the Month” for December. She is the leading scorer on Coach Moore’s basketball squad this season racking up over 12 points a game. Coach Moore describes Melaina as his most versatile player being able to create her own shots and hit the big shot when it counts. Melaina is a 2-year starter, on last years team she was the 2nd leading scorer with 9 points per game and 5 rebounds a game. Not only is Melaina tearing it up on the basketball court she is excelling in the classroom. She currently maintains a 3.79 GPA and is working on college credit by taking several concurrent enrollment. Melaina has been extremely successful in the paths she has chosen to follow. Melaina has the skills and work ethic to be successful in anything she does. If she chose to join track or softball this spring I would predict both programs would greatly improve and both coaches would love to get Melaina out there.

**Russell Isom.** Junior Russell Isom has been named the male “Student Athlete of the Month” for December. Russ is member of legendary coach Craig Drury's basketball program. Russ was able to help get Coach Drury's 500th win as a varsity basketball coach. According to coaches Russ is very competitive, he wants to win and will do what it takes to help his team get the win. He has been described as the smartest player on the court. During one game coach Ventura had called a play but recognized what defense the other team was and told coach that needed to run a different play, coach Ventura did and Russ was right the team scored. Coach described him as another coach for team, when players don’t understand a play they can ask Russ and he will tell them what they need to do. Russell is not afraid of a challenge and trust me AP calculus is a challenge. Not only is he getting an A in AP calculus but he also frequents other more challenging courses offered at Provo High. He currently maintains a 3.9 GPA. Russ is also a member of the bulldog football team and baseball team. Russ had a great football season picking up the offense very quickly and contributing at the wide receiver position. On the baseball diamond Russ is returning as the starting center fielder, leading the team in RBI’s, and was tied for the most home runs last season. If Coach Moore makes a deep run again in the state tournament look for Russell Isom to be one of the leaders.
Seven Provo High FBLA members competed at The Aggie Invitational at USU on 12/15/10. Keeley Fielding, Kyle Andrews, Brandon Witte and Whitney Butler placed at the competition! Congrats! The students are looking forward to competing in the UVU Regional Competition in February 2011 and at the State FBLA Conference on 3/31/11-4/01/11. There are a variety of competitions available at State. Check out the national website at www.fbla-pbl.org. Our FBLA Chapter is a service and leadership organization. During the school year, we will be participating in service projects, fund raising projects and explore career possibilities through field trips. Dues are only $8.50 and can be paid at the Finance Office. We invite PHS students to be a part of our Chapter.

Participants at the Aggie Invitational:
Back row, left to right:
Kyle Andrews, Sara Mackay, Whitney Butler, Karissa Groo, Brandon Witte,
Front row:
Keeley Fielding and President Lisa Lee

At the **Springville DECA Invitational**, Provo High School students get the following results:

Kyle Bringhurst placed 2nd in Hotel and Lodging Management.

Brandon Witte placed 3rd in Restaurant and Food Service Management.

Roger Reynolds placed 2nd in Restaurant and Food Service Management.

Christian Jespersen and Tyler Asay placed 2nd in Financial Analysis Team Decision Making Event.

**Concurrent Enrollment Students:** The deadlines for UVU Spring Semester is January 25, 2011 for all Spring applications. February 4, 2011 is the last day a student may register for their Spring class. Get your registration done today so you don't miss out on your college credit.

**Indoor Track and Field** has begun. Team practices are Tuesdays and Thursdays 2:30pm to 4:30pm. Our first meet is at BYU on January 14th and 15th. Feel free to contact Coach Phil Olsen if you have questions. philo@provo.edu

Philip Ng rehearses the guys !!
**Dance Co. Calendar Dates:**

- January 11th Tuesday: Dance Company Half-time Performance at Mountainview vs Provo Bball game
- January 25th Tuesday: Dance Company Half-time Performance at Timpview vs Provo- (Combined performance with Timpview Dance Company)
- January 22nd Saturday: Dance Company and D3 performing groups invited to UVU you day of Dance 10 am -1 pm
- Feb 5th Saturday -Jr Dance Company Clinic (Fundraiser for Tour!): Provo High Auditorium, 12:00 am to 4 pm, open to boys and girls ages 3-14 of all skill levels.
- Feb 15th Tuesday: Dance Company Half-time Performance at Westlake vs Provo Boys and Girls Bball games
- Feb 18th Friday: Combined performance with Timpview Dance Company at Timpview
- Feb 23rd Wednesday: Dance Company Half-time Performance at Timpanogos vs Provo
- March 17th-21st: Dance Company and D3 performing groups traveling on Spring Tour to New York
- April 9th-Saturday Rehearsal Intensive
- April 25-29th: Concert Tech Week
- April 29-30th: Modern Dance Department Spring Concert: Friday and Saturday 7:00 pm, with a Matinee at 2:00 pm on Saturday.
- May 3rd: Tuesday, Dance Auditions for 2011-12
- May 16th- Monday, Dance Awards Dinner

**Jr Dance Company Clinic:**
Saturday Feb 5th, 12:00 am to 4 pm

Provo High Auditorium, open to boys and girls ages 3-14 of all skill levels. Costs only $15-includes technique, choreography, family tickets to afternoon performance, fun activities, and a PHS Dance Company T-shirt. Proceeds go towards helping students pay for spring tour to New York.

---

**Calendar Dates for the 2011-2012 School Year**

Monday, August 22—School Begins
Monday, September 26—District No Work Day
Thursday & Friday October 20, 21—Fall Break
Wednesday, November 23—Common Comp Day (No school)
Thursday & Friday Nov. 24, 25—Thanksgiving Break
Wednesday, Dec. 21—Early Dismissal Day (11:30 AM)
Thursday, Dec. 22 thru Monday, Jan 2—Christmas Holiday
Tuesday, Jan 3—School Resumes
Monday, Jan. 16—MLK Holiday
Monday, Feb. 20—President’s Day Holiday
Monday, April 9—Common Comp Day (or snow make-up day)
Tuesday thru Friday, April 10-April 13—Spring Break
Thursday, May 24—Graduation
**ACT Help Sessions.**
**Improve Your Score**

Provo High will offer ACT Help Sessions *(January 24-February 3)* from 3:00 to 5:00 in the library PRESENTATIONS ROOM. Sign up with Collette in the Business Office.

Studies have shown students who take help sessions do better on the exam. The ACT Help Sessions are no exception. If you take the Help Sessions, a student should have better test scores. For many, it is not unrealistic to see as much as a 10%--even a 20% improvement!

We will teach your student what a difficult three-hour college exam is like. Your student will learn how to pace him/herself. A student will learn where his/her strengths and weaknesses are. Your student will also learn the where/how/why of effective testing skills.

Classes will give detailed study hints--point out specific weaknesses. A student will also learn to think critically, through and around a problem. Many students improve scores simply by learning test-taking theory. Sometimes knowing how to take a test is as important as what you know. Learn how to take a standardized test--learn what to know. Learn to use what you have!

---

**Counseling Department**

January 24-28 - 10th Grade SEOPs: Each sophomore student who is taking US Government the second semester will receive a postcard in the mail with a scheduled time for individual SEOPs. This is a chance for students (and parents) to plan out next year’s classes with their counselors.

February 28–March 4 – 9th Grade SEOPs: Freshmen who are taking Computer Tech second semester will receive postcards giving them their scheduled times for individual SEOPs where they (and their parents) will plan out next year’s classes.

March 1: All 11th graders will be taking the ACT Exam. This test is funded by the State of Utah. Juniors should be preparing now.

March 1: All 10th graders will be involved in the PLAN, a test to help prepare sophomores for the ACT Exam which they will take their junior year.

The **National Honor Society's** next activity will be held on January 26th. During intervention and after school, NHS will be making cards for servicemen. This is a great opportunity for students to accumulate some of their chapter service hours.

---

**FERPA Statement**

“It is the policy of the Provo City School District and its institutions not to discriminate on the basis of race, color, national origin, sex, or handicap in any educational program, service or activity.”

Non-Discrimination Statement and Policy Notification of Title IX, Section 504
Mr. Mark Edwards was awarded our Best Practices Award for December, 2010. Mr. Edwards' students say that "he knows how to teach his students in a way that speaks to them on their level." He demands respect in class, but he also respects his students when they respect him. He doesn't talk down to his students. Mr. Edwards has a Bachelor's degree in Art Education and Master's in Educational Counseling. He received the Teacher of the Year award from the district in 2008. He uses competition in his classes to motivate the students to excel. For example, a local merchant may be sponsoring a T-shirt design contest, and Mr. Edwards encourages his students to enter it. If one of his students wins, he highlights that student's work to show the rest of the class that their skills have real-world value. Mr. Edwards asks the students to put themselves into everything they do -- literally and figuratively. For example, if a design includes a person, the students use themselves as the model for their own design. He shows students how to use their learning in practical ways, such as making T-shirts they can wear. To spark students' thinking in a positive way, Mr. Edwards starts every class with a motivational quote. The students then respond in writing and discuss it. Every day he writes a question on the board for the class to discuss. These questions pertain directly to the course content and also to the state test they'll take at the end of the year. One of Mr. Edwards' students praised him for "practicing what he teachers." He works on the designs he assigns right along with the class. He demonstrates skills and makes an example for the students so they understand the assignment better. He's always willing to help and answer questions. Mr. Edwards also designs T-shirts for all of the PHS sports teams, which shows his students how they can use their skills outside of the class and shows his school spirit. We're glad Mr. Edwards is part of our faculty "team."

Mrs. Lorien Francis received the Best Practices Award for January, 2011. Mrs. Francis teaches biology and zoology. She has been teaching for seven years, two of them at PHS. Mrs. Francis provides labs and other hands-on activities for her students. This is the most popular learning technique she uses. Her labs are often inquiry-based; the students work on a problem before she explains it. Many students enjoy this approach because they like figuring things out for themselves. She hands out a complete outline at the beginning of each unit. The outline includes note outlines, lab sheets, review worksheets, flash cards and so on. These also include power standards and objectives from the state core curriculum. Mrs. Francis helps her students focus on the main points they need to learn. She puts the main concepts on PowerPoint slides, explains them clearly and then repeats them until the students understand. After tests, she goes over the questions most often missed and reviews test-taking strategies with her students. She has her students work in groups and sit at a table together. Although this arrangement fosters more talking, she deals with the noise because the students learn from each other. Mrs. Francis loves teaching and enjoys her students. Her students feel the same way about her -- many of her students commented that the activities are fun and exciting and that Mrs. Francis herself is happy and funny. Our thanks to Mrs. Francis for making learning fun and finding creative ways to teach our PHS students!
Our Dance performing teams are working hard to prepare for upcoming events here in the community as well as for their tour in NEW YORK!!
