Oh hail, Provo High,
To thee our hearts will e'er be true.
Proudly we fly
Our colors high up in the blue.

That win or not, we'll loyal be.

We'll strive to honor and bring you fame.
Keep fighting Provo to win this game!

My use of this privilege may be suspended or revoked by the school at any time if I do not follow the terms of the district and individual school Acceptable Computer System Use policies. I agree to keep my password confidential and to properly log off the computer before leaving my workstation. I will never let anyone else use my account.

As a condition of my use of the Network Services, I have read and will comply with the terms and conditions stated in the Acceptable Computer System Use Policy for Provo City School District, Provo High School and any Teacher Disclosure Statement that may apply. **REQUIREMENTS**

A maximum of 2 Credits may be used from an accredited home study program for a Provo High Diploma. Seniors should review their graduation requirements with a counselor as needed and before registration.

Completion Requirement: Students wishing to graduate with Provo High must attend their entire last semester at PHS, complete all required make-up, and have their graduation clearance form signed by their teachers. Students transferring to PHS after the beginning of 3rd term of the senior year may transfer credit back to their home school or to Provo Adult Ed.

**GRADUATION EXCEPTIONS**

Exceptions to the listed requirements must be approved as follows: Students may submit a petition, in writing, to the graduation committee for consideration before May 1st. Graduation Committee Decisions are final and will be returned to applicant in written form. Approved exceptions to the prescribed graduation requirements will be the exception and not the rule.
COUNSELING CENTER
If you have educational, occupational, or personal/social questions or concerns please call or visit our counselors at 373-6550 ext. 336, Monday – Friday, 7:15 a.m. to 3:15 p.m. Counselors are assigned to students by last name:

A-C Charles Ah You  Me-R Guy Golightly
D-Hi Lissette Blanchard  S-Z Susan Teemant
Ho-Mc Emily Jimenez

STATE COMPUTER TECHNOLOGY REQUIREMENT
To graduate you must get .50 credits in Computer Technology. If you have failed a term or semester you can make it up in the following ways:

1. Summer School: The Provo High Summer School instructor will have you make up only what you missed so you can get credit. This is probably the easiest way to make up Computer Technology credit. There is a fee for summer school courses.

2. Utah Electronic High School: You can register for this class over the Internet and upon successful completion of the course the EHS will send a transcript to Provo High granting credit for the course. There is no cost to take this course.

3. IC3 Exam: Provo High School will give credit to students who pass this exam. WARNING: the pass rate for this exam is very low. Don’t plan on passing this exam without a great deal of study. The exam is in 3 parts and costs $15.00 for each part. Students are advised to go through the Learn Key self paced program (available free) BEFORE attempting the IC3 Exam. You must pass all three parts to receive any credit. See the Work-Based Learning Coordinator for an application to take this exam.

Note: The maximum allowable credit from all sources for Computer Technology is 0.50. For example if you were to pass one term (.25) of Computer Technology and then pass all three parts of the IC3 Exam or the EHS course, you would only receive .50 total credits toward graduation.

WEIGHTED GRADE POINT/GPA
For calculation of the weighted grade point average and class rank, AP class points are A=6, B=5, C=4, etc.; Honors and Concurrent Enrollment classes points are A=5, B=4, C=3, etc.

GRADUATING WITH HONORS/HIGH HONORS
Qualified students will be provided an honor braid for graduation exercises. Students desiring Honors or High Honors recognition at graduation must meet the following criteria:

Graduation with Honors – silver braid
1. Meet regular graduation requirements
2. Have cumulative GPA of 3.50 to 3.699 by end of 3rd term Senior Year

Graduation with High Honors – gold braid
1. Meet regular graduation requirements
2. Have a cumulative GPA of 3.7 – 4.00 by end of 3rd term Senior Year
3. Enroll in and pass 6 credit producing classes on an eight period day each semester.

NATIONAL HONOR SOCIETY
Membership in the Provo High School Chapter of the National Honor Society is open to all sophomore, junior and senior students with a cumulative GPA of 3.7 or higher. In addition, to be eligible for membership, a total of three core academic classes must have been taken each year (including the present year of enrollment).

Applications for the National Honor Society are available in the College/Career Center or Counseling Office. Applicants must pay a membership fee of $15.00 to cover the costs of
maintaining the Chapter and attach a receipt from the Provo High business office to their application. The fee will be refunded to students who do not meet the requirement for membership. Applications are due by September 1, 2016 (and may be turned in at the College/Career Center or Counseling office).

Active members in the Society are required to maintain a minimum GPA of 3.7, participate in service activities with the Chapter, and live up to the character, leadership, and service ideals of the National Honor Society. Students need to maintain a log of service hours performed during the school year. Members of NHS are reviewed periodically by the advisor(s) and/or faculty board.

To graduate with NHS recognition, NHS students must do the following: maintain a 3.7 cumulative GPA at the end of the 3rd term of their senior year; participate in at least 5 hours of service with the Chapter and 15 hours total service hours during each year of membership; submit documentation of hours to advisors by May 1, 2017.

**NATIONAL ART HONOR SOCIETY**
The National Art Honor Society program seeks to inspire and recognize students who have shown an outstanding ability and interest in art. The NAHS strives to aid members in attaining the highest standards in art scholarship, character, and service, and to bring art education to the attention of the school and community. Provo High School is the first school in Utah to join this program by creating a chapter!

Students that complete the requirements of the National Art Honor Society will receive a braid to wear for graduation. If you are interested in NAHS, see Mr. Rees.

**UTAH SCHOLARS INITIATIVE**
The Utah Scholars Initiative partners school districts with local community and business leaders in an effort to increase the number of Utah students accessing and completing post-secondary education. Utah Scholars encourage students to take the Utah Scholars Curriculum throughout all four years of high school. To become a Utah Scholar, students must take a prescribed college-preparatory curriculum grades 9-12.

ACADEMIC ASSISTANCE

Intervention
The primary focus of intervention time is to give teachers the opportunity to re-teach concepts to students who may need extra help or support. A secondary focus of intervention time is for students to make up work they have missed. Every Monday, students receive a grade printout during their 5th/6th period class to let them know which classes they are either failing or may need extra help in. Students with F’s are expected to attend intervention that week with the teachers whose classes they are failing. Priority days are given to core subject areas: Tuesday is math priority, Wednesday is English priority, and Thursday is science priority. Fridays are open for all other subject areas. For example, if a student is failing math, s/he is expected to be in math intervention on Tuesday morning with his/her math teacher.

Teachers are available for intervention from 7:00-8:00 a.m. Tuesdays through Fridays. Mondays are reserved for teacher collaboration time.

After-School Tutoring
PHS has made qualified tutors available to students before and after school. GEAR UP tutors are available in the media center:
- Monday – Friday, 7:00-8:00 am
- Monday – Thursday, 2:15-3:00 pm

PHS tutors are also available in the media center the following times:
- Monday – Friday, 7:00-8:00 am
- Monday – Thursday, 2:15-4:45 pm (with busses running at 4:50 p.m.)

Elective credit is being offered to students who attend the after-school program on a regular basis. Packet scholarships are also available to help students cover the cost of credit recovery. See Kellie Valdez in the Media Center for more information.
Provo City School District
Student Attendance Policies

Student Attendance

State Compulsory Attendance Law  Utah State Law requires students between the ages of six and eighteen to be in attendance at school unless they have graduated from high school.

Attendance Impact on Educational Success  The Provo City School District Board of Education recognizes the importance of regular student attendance to a successful learning experience. Research supports the fact that attendance is crucial to improving student achievement. On-time attendance is a critical starting point for high levels of student achievement. The opportunities lost through student absence and tardiness leave learning gaps that are difficult to fill. Parents, students, and school personnel should make decisions that lead to excellent classroom attendance. Teachers should employ strategies that encourage on-time attendance through recognition, rewards, and grades.

The Board further recognizes that:

1. **All students are expected to be in class and on-time every school day, in every class.** Provo School District will follow state law and federal guidelines as they pertain to attendance.

2. **Excused or unexcused absences, frequent absences, and/or tardiness of students from regular classroom learning experiences disrupt the continuity of the instructional process.**

a. Excused absences - Schools will allow students with excused absences to remain current in their classwork by allowing make-up work in a prompt and timely manner.

b. Unexcused absences - Schools may or may not allow students with unexcused absences to make-up missed assignments.

3. **The entire process of education requires a regular continuity of instruction, classroom participation, learning experiences, and study in order to meet student achievement goals.**

4. **Holding students and their parents/guardians responsible for attendance** is part of the District’s larger mission to train students to be productive citizens who are college and career ready.

5. **State law reflects the importance of regular attendance** by establishing compulsory school attendance and charging this Board to enforce that law. Ten day rule: By law, any student who does not attend school for ten consecutive days without a legitimate excuse will be dropped from school rolls. The parent will be required to re-enroll their student in school, which could effect students’ choice application, placement in classes and class credit.

6. The Board supports social responsibility (citizenship) procedures developed within the schools.
School Responsibilities:

A. Each school will keep accurate records of student daily attendance as required by Utah State Law.
B. The principal or designee has the authority to determine whether an absence will be approved or denied, and whether an absence is excused or unexcused.
C. Each school will notify parents/guardians of student unexcused and/or excessive absences. Parent notification may include, but is not limited to one of the following:
   • Voice mail systems
   • Teacher contact
   • Attendance office calls or tracker calls
   • Computer-generated letters
   • Progress reports or student on-line information system (i.e. Powerschool)
   • Administrator, counselor, social worker or truancy contact
D. Each school will develop procedures to address excessive and/or unexcused absences/tardies.

This program may include but is not limited to the following:
   • Teacher notification of parents (attendance concerns, progress report, telephone contact)
   • Student-teacher conference
   • Parent conference
   • Support personnel assistance, (i.e. school nurse, counselor, social worker, administrator, care team, district truancy support programs) Detentions and/or In-School Suspension
   • Administrative suspension
   • Juvenile court referrals will accept students 17 years old and younger.

Teacher Responsibilities

A. Each teacher will be responsible for taking and recording accurate class attendance each period.
B. Each teacher will be required to follow the district’s attendance policies.
C. Teachers will maximize the use of instructional time for the benefit of student learning and engagement.

Parent/Guardian Responsibilities

A. Utah Law under the Compulsory School Attendance subsection places the burden of responsibility for school attendance on the parent.
B. Parents have the responsibility to assure their student will be in school and on time.
C. Parents will notify the school attendance office of each student absence.
D. Parents/guardians will make the necessary arrangements if they plan in advance to take a student out of school.
E. Parents will be responsible to monitor their child’s attendance either
electronically (i.e. Powerschool) or by contacting the school.
F. Parents may fill out an appeals form to waive attendance penalties. A parent/principal meeting will be held to review concerns and determine waiver outcomes. If the parent or guardian is not satisfied, they may contact the Executive Director of Student Services for further review and a final decision.

Student Responsibilities
A. Students will be expected to be prepared for and to fully participate in classroom lessons.
B. Students will assume increasing responsibility for regular and prompt school attendance as they progress through the educational system. A conscientious effort will be made to attend daily.
C. Students will adhere to the attendance procedures as defined by each school.
D. Students will cooperate with school officials and support personnel to correct any attendance problems that may develop.
Provo High School
Attendance Policies & Procedures

Student Attendance Procedures: Secondary Students
The purpose of this procedure is to implement the Student Attendance policy. Further, it is the purpose of this procedure not to emphasize the punitive aspects of compulsory attendance, but to underscore to students and parents the importance of children being in school every day.

Definitions
“Notification of Attendance” letters are warnings to alert families of attendance concerns and/or providing an opportunity to resolve issues with the school administration.
“1st Citation” letters are referrals to Provo School District’s Truancy School.
“2nd Citation” letters are referrals to Provo School District’s Attendance Court (PAC).

</tr>
<tr>
<td>14 unexcused class periods</td>

</tr>
</tbody>
</table>

Above absences numbers are for each term

Students having excessive absences during a term may be contacted by the school administration to schedule a conference with parents to discuss the impact of absenteeism on student learning and to make an attendance plan and/or contract. Further absences without an administrative conference may be counted as unexcused absences. Students having excessive unexcused absences due to a stated illness may be required to provide a doctor’s note specifically addressing the dates the student was absent from school. This requirement will be discussed at the absenteeism conference between parents and school administrators.

Valid Excuses Valid Excuses are absences for an illness, family death, approved school activity, military block leave, excuse consistent with student’s IEP, 504-accommodation plan, or a school/school district valid excuse definition (Utah Code R277-607-1).

Parent Information:
- Parents may fill out an appeals form to waive attendance penalties.
- Parents are encouraged to excuse absences immediately and must excuse absences within two school days after returning to school for a legitimate reason according to Utah State Code 53A-11-101-105. If the absence is not excused according to the guideline listed above, the absence/s will be recorded as unexcused.
- Parents are requested to excuse their child’s absence by calling the school, sending an email, fax or a note.
- Students who are ill are encouraged to stay home. Illness guidelines may be found in Procedure 3150 P-3.

COMPULSORY ATTENDANCE LAWS TO DEFINE ABSENCES
1. "Truant" is an absence without a valid excuse or an unexcused absence.
   a. A student is considered "truant" when he or she is absent from school without a valid excuse.
   b. Students who are truant will be referred to a Provo School District truancy
officer and may receive a truancy citation, be referred to truancy school, be referred to Provo attendance court, and/or be referred to Provo Juvenile court.

c. "Habitual Truant" is a student, 12 years of age or older, who fails to cooperate with efforts on the part of designated school authorities to resolve the student's attendance problem(s) and/or has been absent without a "valid excuse" for ten (10) or more times during the school year.

* Complete student attendance policy can be found online at www.phs.provo.edu
PHS policies have been established to provide a safe, orderly, and educational environment required by law. All students are expected to respect others (students, teachers, staff etc.), respect property (personal, school, public etc.), and be safe.

PHS CODE OF CONDUCT
Provo High students should conduct themselves in a respectful, safe, and appropriate manner at all times. Proper conduct varies from one activity to another. Appropriate conduct expected in the library differs from appropriate conduct during a pep assembly. Any conduct that is disruptive to the orderly process of education is not appropriate and may result in disciplinary action or suspension.

ATTENDANCE CHECK-IN/CHECK-OUT
All students are responsible to check in and check out at the attendance office any time they enter or leave campus during the school day.

ACCOMMODATIONS-ADA
In compliance with the Americans with Disabilities Act, individuals needing special accommodations during ANY MEETING at our school should notify Provo High School Administration at 373-6550 at least three working days prior to the meeting.

ACTIVITY CARDS
PHS students are required to have activity cards and should carry them at all times. Activity cards are needed for library use, testing, and school activities. Students must complete and return the Parent Notification Form and the Student Computer Use Agreement Form to receive an activity card. A charge of $5.00 will be assessed for replacement cards. Students withdrawing from PHS must return their activity card before receiving their refunds. Students who violate school rules may lose their access to school activities. Using another person’s activity card to try to enter an event is attempted fraud. Misused activity cards will be confiscated.

EARNING THE ACADEMIC LETTER
Provo High School recognizes excellence in all areas of student achievement. Letter awards are achievable in academic areas as well as some CTE (Career & Technical Education) areas. These letters are awarded to students who have achieved certain criteria established by the faculty. Academic letter certificates will be awarded at the end of the school year at the senior Awards Night held in May. Awards are available in the following areas: English, English as a Second Language (ESL), Fine Arts/Visual Arts (includes art, dance, drama, music, etc.), Foreign Language, Mathematics, Practical Arts/CTE (includes business, drafting, family & consumer education, etc.), Science, Social Studies.

Department chairs will be able to help you with specific requirements. (Students should be working on the requirements throughout the school year.) Applications for all academic lettering will be available March 2, 2017, from individual departments and in the College/Career Center. They will be due by May 1, 2017. You may get more information about academic lettering from Mrs. Betts in the College/Career Center or by emailing her at andreabe@provo.edu.
ADDRESS CHANGE
Parents are required by law to notify the school of address and phone number changes. In emergencies, contacting parents is essential.

AP CREDIT
When a student takes an AP class, the credit is listed on the regular transcript with the grade and credit issued by the teacher. When a student takes both an AP class and the AP test, only the AP class generates high school credit. When a student takes the AP test but NOT the AP class, they may receive 2 semesters of Provo High credit. A score of 3 or 4 will generate a “P” grade. A score of 5 will generate an “A” grade. The AP test credit will be listed on the transcript in an area separate from the regular classes and labeled “AP Test credit.”

ATHLETICS AND THE NCAA
Students who anticipate participating in college athletics should contact their coach or counselor for current NCAA requirements. It is the student’s responsibility to track and meet NCAA guidelines.

BUSINESS HOURS
Provo High Main Office hours are 7:00 am to 3:00 pm during school days. The Business and Attendance offices are open from 7:00 am to 3:00 pm. The Counseling center is open from 7:00 am to 3:30 pm.

CHEATING
Some examples of cheating are copying work from another student, quoting another paper, the Internet, a book or an article without giving credit to the author, storing information in a calculator for a test, putting your name on a paper belonging to another, and passing information to others during a test. A first instance of cheating will receive an ‘F’ on the assignment and a counselor intervention to assist the student. Additional incidents will result in loss of credit for the class.

CLASS CHANGES
Schedule changes should be made before the start of each semester. Changes made after the close of registration cost $10.00 for each class affected. There is no fee for class changes that are beyond the student’s control. An “F” grade will be recorded for a student who drops a class after 40% of the term has been reached. There will be no schedule changes at the term break except those initiated by teacher or administrators, when an additional class is added AND when all teachers involved approve the change. No change is complete and official until the teachers receive official notification of the change from counseling. Students are responsible to see that their schedules are correct.

CLASSROOM INTERRUPTIONS
Students may NOT interrupt classes without an official note from the main office or counseling. If an emergency arises, the main office will phone a classroom, page a student, or deliver a message. Non-emergency messages cannot be delivered.

ORGANIZATION OF CLUBS
Clubs at Provo High are many and varied. In addition to the clubs that emphasize a particular interest, there are clubs that furnish service for the school. Somewhere there is a club which will interest you and which needs your support. Clubs are approved each year based on student interest. To be recognized as an official Provo High Club, members must do the following:

- Possess a club constitution
- Secure a faculty advisor
• Obtain administrative approval
• Obtain student government approval
• Appoint or elect Presidents and Vice Presidents of all clubs during the first few weeks of school or according to the club's approval

Typical clubs at Provo High have included the following: Botany Club, Chess Club, DECA Club, Environmental Club, FBLA, FFA, FCCLA, French, German, Key Club, MESA Club, Mountaineering Club, Ping Pong, Science, and Youth Crime Watch. Visit the office or Mr. Smith (todds@provo.edu) for club information.

COLLECTIONS
All money is collected at the business office. Delinquent bills are turned over to collection agencies for follow-up.

COMMUNICATION/PRODUCTIONS POLICY
At Provo High School, students and staff members
• Recognize that free speech is governed by appropriateness to time, place and manner.
• Recognize that communication and school productions are governed by the same ethical standards which regulate all other aspects of education and which must meet our community’s standards.
• Take care that communication/productions do not disrupt or negatively affect the school setting.
• Understand that communication enhances understanding, helps to alleviate concerns, builds relationships and works to increase our effectiveness.
• Are under obligation to practice scrutiny. Communications/Productions should not be dishonest or careless. Appropriate communication means respect for individuals.
• Avoid communication that may involve defamation of character, harassment, or infringe on privacy rights.
• Students are models for one another; profanity, vulgarity and slang do not meet Provo High School standards.
• Understand that student information is confidential. PHS abides by state guidelines for confidentiality.
• Understand that conflict resolution is best done in privacy with those involved and not in public forums.
• Use the communications equipment (computers, PA system, radios, etc.) in a professional manner, recognizing that the software and equipment are owned by Provo School District. All communications using school equipment are subject to administrative review and prior restraint.

Students who violate the communications policy will be subject to the safe schools policy.

COMPUTERS
1. Acceptable Computer System Use Policy, Adopted by the Provo City School Board, May 19, 1997 (updated May 1, 2012)

2. The Internet is a very effective tool to introduce students to the global nature of information and to share information in a variety of ways. With increased access to computers and people all over the world, there is also increased access to controversial material that may not be of educational value in the context of the school setting.
3. Provo School District reserves the right to
   a. Monitor and track the use of Network Services
b. Suspend or revoke privileges and take appropriate disciplinary action for unacceptable use of Network Services

c. Implement filtering software on the network to monitor Internet use and access

4. The District firmly believes that the valuable information and interaction available on the Internet far outweigh the risks of users obtaining material that is not consistent with the educational goals of the district.

5. Access to Network Services will be provided to students and staff who agree to act in a considerate and responsible manner.
   a. General school rules for behavior and communications apply, as does Provo School District’s Character Development statement.

6. The use of Network Services is a privilege, not a right. Inappropriate use will result in cancellation of those privileges and possibly other disciplinary or legal actions including criminal prosecution, suspension, expulsion or termination of employment. The following activities are not permitted:

   b. Using obscene or vulgar language
   c. Harassing, insulting or attacking others
   d. Damaging computers, computer systems or computer networks.

FRESHMAN MENTOR PROGRAM
For many years, we have been concerned about the transition between Junior High School and High School. Many of our ninth graders struggle with the academic environment, the new freedom of being in high school and their relationships with others as they mature. After careful investigation and much discussion, we launched a program in the fall of 2014 we call the Freshman Mentor Program. Following a model that has been successful around the
country, we have carefully selected junior and senior students to be mentors to the freshmen. These students, teamed with one of our best teachers, teach a curriculum that helps our freshmen transition successfully to High School. They are role models and in many cases take the place of an older sibling, so the freshmen have a student they know and can get help from at school.

The program has four main purposes:
1. To create an academic culture at Provo High School
2. To teach the freshmen academic skills necessary to be successful in High School.
   a. These include note taking, test taking, study skills, time management and how to communicate with teachers.
   b. A guided homework time is also provided where the mentors become tutors for freshmen who are struggling with academic concepts.
3. To teach the freshmen social and emotional skills as they become young adults.
   a. These include coping with emotions, how to deal with stress, how to handle friends and peer pressure, how to appropriately handle social media.
   b. College and Career preparation is also a component of the instruction.
4. To create a strong transition between Jr. High School and the High School experience.

FUNDRAISING DRIVES
All fundraising activities associated with PHS or PHS organizations must be approved in advance by the administration.

GRADE CHANGES AND REPLACEMENT
All grade changes must be completed within the term after grade distribution. All “I’s” not cleared will automatically be rolled over to an “F” after the following term. The teacher must make grade changes unless covered by an attendance appeal. The administration will change grades only if a clerical error has occurred after the teacher submitted the grade. Grade replacements are only for classes taken/repeated at PHS and the most recent grade will always count. An R grade will not count in GPA calculation. Forms to request grade replacement are available in the counseling office.

HOME AND HOSPITAL INSTRUCTION

</tr>
<tr>
<td>one-sided</td>
<td>reciprocal</td>
</tr>
<tr>
<td>is degrading</td>
<td>is a compliment</td>
</tr>
<tr>
<td>feels powerless</td>
<td>in control</td>
</tr>
<tr>
<td>unwanted</td>
<td>wanted</td>
</tr>
<tr>
<td>sad/angry</td>
<td>happy</td>
</tr>
<tr>
<td>illegal</td>
<td>not always appropriate</td>
</tr>
</tbody>
</table>

In a school or work environment, flirtation is most often inappropriate, but sexual harassment is always illegal.

3. What can you do?
   a. Say Stop: Tell the harasser you do not like the behavior and want it to stop.
   b. If it continues tell someone: Talk to a teacher, counselor or principal.
   c. Keep Records: If the behavior continues, write it down. Be sure to include dates, times, names, places and witnesses.

Provo High School

Student Handbook and Code of Conduct
for Co-Curricular/Extra-Curricular Activities

PHS PHILOSOPHY ON ACTIVITIES

Congratulations on your decision to participate as a member of one of our extracurricular programs. Provo High School consists of a proud and successful group of student athletes, performers, and leaders guided by committed and knowledgeable coaches, teachers, advisers, and administrators. The Provo High School (PHS) Student Code of Conduct was developed with input from parents, teachers, coaches, and administrators so that students involved in extracurricular programs and their parents will understand important information and the conditions relating to participation in these programs at PHS. It is the intent of all members of the PHS faculty, staff, and administration that all extracurricular programs provide an enriching and healthy experience for students—an experience in which physical, mental, and social growth takes place.

Provo High School believes extracurricular programs are an integral part of a student’s total educational experience. The success of these programs is based on our students’ ability to balance their participation with their academic requirements. Academic achievement comes first. The goal of all extracurricular programs is to provide a safe, structured environment where students can develop responsibility, work ethic, trust, loyalty, self-esteem, and self-discipline.

One of the primary responsibilities of the school is to oversee the conduct of our students. We urge parents to take an active role in the guidance and supervision of their son or daughter while supporting the school in our endeavor to develop positive and productive citizens.

Participation in Provo High School extracurricular programs is a privilege. This privilege carries with it certain responsibilities since students in these programs represent Provo High School in the classroom, in the hallways, in the athletic arena, and in the community. For this reason, the Student Code of Conduct is in effect 24 hours a day, 7 days a week, 365 days a year.

DEFINITIONS

“Extracurricular Programs”—this term encompasses all programs sanctioned by the Utah High School Activities Association (UHSAA)—i.e., all sports, drill team, drama, forensics, and music—as well as non-sanctioned programs like cheerleading, dance, student government, and school clubs.

“UHSAA Eligibility”—All students participating in UHSAA-sanctioned programs must be eligible under policies established by the UHSAA. These policies can be found on their website at www.uhsaa.org.

BOOSTER CLUB

The Booster Club supports Provo High athletics, cheerleading, band, performing arts, and academic programs by fundraising, volunteering, and promoting student and program accomplishments.

ATHLETIC EVENTS—SPORTSMANSHIP
Since athletics must operate within the framework of sound educational principles, it follows:
1. Athletic teams at Provo High School come under the jurisdiction of and are required to abide by the rules of the Utah High School Activities Association so that all athletes may compete under identical standards.
2. Those who take advantage of the privilege to participate in athletics, either as an athlete or spectator, are expected to conduct themselves in a manner that does not detract from the educational environment.
3. Competitors, coaches, officials, and spectators enter into competition knowing that errors are a normal part of an activity and are likely to happen. Anyone can make a mistake.
4. Although winning is certainly an admirable goal, it is hollow if it comes at the expense of morals, ethics, and common sense. The following spectator behavior is expected.

GENERAL SPORTSMANSHIP GUIDELINES (FROM THE UHSAA HANDBOOK):
1. Be courteous to all (participants, coaches, officials, staff, and fans).
2. Know the rules. Abide by and respect officials’ decisions.
3. Win with character and lose with dignity.
4. Display appreciation for good performance regardless of the team.
5. Exercise self-control & reflect positively upon yourself, the team, & the school.
6. Permit only positive sportsmanlike behavior to reflect on your school and its activities.

Spectators may be asked to leave contests or may be banned from attending future contests if these expectations are disregarded.

NOTIFICATION
Coaches and advisers will go over the terms and conditions of the Provo High School Student Code of Conduct before students begin participation in their chosen extracurricular program. Additionally, coaches and advisers will review individual program rules and regulations. The Provo High School Student Code of Conduct is also posted on the school’s website. Each student and parent/guardian will sign and thereby agree to abide by the Provo High School Student Code of Conduct as a requirement of participation in any extracurricular activity.

PHS CODE OF CONDUCT FOR EXTRACURRICULAR ACTIVITIES
The Provo High School (PHS) Student Code of Conduct establishes standards by which students participating in extracurricular activities are expected to conduct themselves as representatives of Provo High School. Parents are expected to discuss these regulations and consequences with their students so that informed and appropriate decisions about behavior are made.

It is imperative that students and parents understand that the Provo City School District Safe Schools Policy and other related policies and the PHS Student Code of Conduct are two separate sets of standards. The PHS Student Code of Conduct, which is written specifically for students participating in extracurricular activities, will be used concurrently with district policies, but the two codes differ procedurally and substantively. If a student is suspended for a violation of district policy, then the student will not be permitted to practice or participate in his/her extracurricular activity during the suspension. If the same misconduct also constitutes a violation of the PHS Student Code of Conduct, then the student will be penalized accordingly.

The PHS Student Code of Conduct sets a high standard because of Provo High’s desire to help protect the health, safety, and welfare of all students and community members. The PHS Student Code of Conduct applies to all students involved in extracurricular activities. A student is deemed to be a participant in an extracurricular activity for purposes of the PHS Student Code
of Conduct once the student is notified by the coach/adviser that they have been accepted into
the program. Thereafter, the student is deemed to be a participant for the remainder of his/her
high school career. This also includes all athletes “in season,” as well as those athletes whose
season has been completed but who intend to compete in subsequent seasons or sports. The
PHS Student Code of Conduct provides parents with support in dealing with potential problems
with their student, and it provides an incentive for the student to deal appropriately with
negative peer pressure.

The PHS Student Code of Conduct applies to behavior that takes place on or off school grounds.
These violations may take place at any time during the student’s enrollment at Provo High
School, including off-season as well as during summer break. The PHS Student Code of Conduct
will be in effect 24 hours a day, 7 days a week, 365 days a year. It applies to all participants,
whether in season or out of season, on or off school property, including, but not limited to,
school sponsored/sanctioned events on or off campus and private activities or events. When
off-campus or private behaviors are proven to violate district policy and/or the PHS Student
Code of Conduct, then consequences will follow if brought to the attention of the school
administration.

Consequences for violating the PHS Student Code of Conduct will be in effect for non-region,
region, and state contests and championships. With regard to suspensions from contests,
scrimmages do not count as contests. Consequences for violating the PHS Student Code of
Conduct will carry over from school year to school year and will be in effect for the duration of
the student’s high school participation. This means the student’s record of PHS Student Code
of Conduct violations will follow him/her from one sport/activity to the next and from one year
to the next.
I, __________________________________________, have read and understand the Provo City School District “Student Activity Code of Conduct”. I agree to abide by all requirements of this code. Participation in competitive athletics, student government, and other extracurricular activities confers important educational and lifetime benefits upon students. However, there is no constitutional or legally protected right to participate in these types of extracurricular activities. Students who participate in extracurricular activities become role models for others in the school and community. These students often play major roles in establishing standards of acceptable behavior in the school and community, and establishing and maintaining the reputation of the school and the level of community confidence and support afforded to the school. Accordingly, students involved in extracurricular activities must comply with school and District policies, team and organization rules and applicable local, state, and federal laws in regards to their conduct and behavior.

ACADEMIC ELIGIBILITY

To be eligible to participate, a student:

1. Student must be a full-time student. The minimum requirements of a full-time student requires enrollment in at least six credit bearing classes. A senior may be enrolled in fewer than six credit bearing classes as long as he/she is on track to graduate.
2. Cannot fail more than one subject in the preceding grading period.
3. Must have a minimum grade point average (GPA) of 2.0 based on a 4.0 scale in the preceding grading period.
4. Incompletes (I), no grades (NG), and no credits (NC) are considered failures and must be factored into the GPA until made up. Once made up the GPA must be recalculated with the new grade replacing the deficiency.
5. A recalculation of the GPA will also be done if deficiencies are replaced during the summer grading period.
6. To replace the deficiency obtained during the final grading period, the new grade must be earned in the same subject area and must come from a summer program that has been approved by the Provo City School District.
7. Incoming 9th grade students or transferring students are accountable to the requirements of #1 and #2 listed above.
8. Students who are scholastically ineligible for a grading period cannot represent their school.

Accordingly, Provo City School District will not enroll a student who is currently under suspension or expulsion from another school district or school. In addition, a student may be denied admission in Provo City School District on the basis of having been suspended or expelled from another school district or school during the preceding twelve (12) months.

Corporal Punishment / Physical Restraint

A school employee may not inflict or cause the infliction of corporal punishment upon a student who is receiving educational services from the District. A continuum of intervention strategies shall be available to help students whose behavior in school repeatedly falls short of reasonable expectations. Prior to suspension or expulsion of a student for repeated acts of willful disobedience, defiance of authority, or disruptive behaviors which are not of such a violent or extreme nature that immediate removal is warranted, good faith efforts shall be made to implement a remedial discipline plan that would allow the student to remain in school. A number of interventions should be tried, including, but not limited to: (a) talking with the student; (b) class schedule adjustment; (c) contact with the parents; (d) parent/student conferences; (e) behavioral contracts; (f) after-school make-up time; (g) short-term in-school suspension; (h) short-term at-home suspensions; (i) Multi-disciplinary Team involvement and assistance; (j) appropriate evaluation; (k) home study; (l) alternative educational placements and programs, and (m) law enforcement assistance, as appropriate. Emergency Issues and/or Safety Concerns

A principal may suspend a student for up to ten (10) school days while investigating issues related to student safety or other emergency concerns that have a direct and substantial ability to disrupt the educational environment within the school or overall school district.

Parental Attendance with Student

As part of a remedial discipline plan for a student, a school may require the student’s parent, with the consent of the student’s teachers, to attend class with the student for a period of time specified by a school or District administrator. If the parent does not agree or fails to attend class with the student, the student shall be suspended or expelled in accordance with the provisions of school and District discipline policies.

Minimal due process is required. The school administrator shall give the student verbal or written notice of the violation, evidence of the accusation, and the opportunity to present their side of the story. Generally, the notice and informal hearing shall precede the student’s removal from school.

The school administrator shall notify the custodial parent(s) or legal guardian(s) verbally or in writing of the student of the following: (a) that the student has been suspended for ten (10) school days or less; (b) the grounds for the suspension; (c) any conditions of the suspension; and (d) the time and place for the parents to meet with the school administrator to review the suspension.
The school administrator shall also notify the non-custodial parent of the student of the suspension, if requested in writing.

The school administrator shall determine the best way to transfer custody of the suspended student to the parents. The school administrator shall then assure that the student is either released directly to the custody of the parents or has obtained permission from the parents for the student to leave school and go home. A suspended student shall immediately leave the school building and grounds. If parent cannot be reached it is the responsibility of the school to maintain the student for the remainder of the day.

Disagreement between the parents and the school in regards to short-term suspension will be handled in meetings between parents, school administrators, and the student, if appropriate. The procedures for due process are designed to protect the rights of students when a disciplinary problem arises. The process is administrative, not judicial. Notification will be given to the student and the parent of the time and place for a hearing and a statement of the alleged act(s) of misconduct. The notice of offenses or charges shall state with reasonable particularity the offense or charge, shall be based upon the information known at the time the notice is issued, and may be subject to amendment upon further investigation or evidence. Due process includes the right to a hearing, the right to counsel, and the right to appeal.

Procedures for hearings and appeals of disciplinary decisions by a parent/guardian are as follows:

1. Discuss the grievance with the teacher or person at the school with whom the disagreement occurred.

The appeal shall be heard within ten (10) school days.

4. If agreement is not reached, the parent/guardian may submit in writing within ten (10) calendar days of the decision and request for a hearing before the Independent Disciplinary Hearing Officer. The appeal shall be heard within ten (10) calendar days and the decision shall be in writing.

5. If agreement is not reached, the parent/guardian may submit in writing within fifteen (15) calendar days of the Independent Disciplinary Hearing Officer’s decision a request for a hearing before the District Board of Education. If the Board grants a hearing, it shall be in executive session. Following the hearing, the Board shall give its decision in writing.

At each stage of the proceedings, the hearing officer(s) shall conduct a de novo review, and shall hear the matter anew the same as if it had not been heard before and as if no decision had been previously rendered. Hearing officer(s) may receive and consider new documents, information, and witness testimony. However, upon appeal to the Board, the Board shall only consider the documents, information, and witness testimony presented at the hearing conducted by the Independent Disciplinary Hearing Officer.

Failure to appeal to the next step in the appeals process within the time limits specified shall be deemed a withdrawal and final disposition of the matter. Once the aggrieved party has exhausted all of the administrative remedies herein he or she may appeal to a court of law.
Long-Term Suspension and Expulsions. More than ten (10) consecutive school days.

School Administrator:

Upon being apprised of a student incident in violation of District or school policy that may lead to disciplinary action, a school administrator shall promptly and thoroughly investigate and document the incident.

Suspension or expulsion may not extend beyond ten (10) school days unless the student and the student’s parents have been given notice and a reasonable opportunity to meet with the school administrator and/or District officials and respond to the allegations and proposed disciplinary action.

The school administrator shall notify in writing the custodial parent(s) or legal guardian(s) of the student of the following: (a) that the student has been suspended for ten (10) school days; (b) the grounds for the suspension; (c) any conditions of the suspension; (d) that the matter has been referred to the District Disciplinary Committee for further disciplinary action. A copy of this written notification shall be sent to the Executive Director of Student Services.

The school administrator shall determine the best way to transfer custody of the suspended student to the parents. The school administrator shall then assure that the student is either released directly to the custody of the parents or has obtained permission from the parents for the student to leave school and go home. A suspended student shall immediately leave the school building and grounds. If parent cannot be reached it is the responsibility of the school to maintain the student for the remainder of the day.

The school administrator shall notify the District’s Executive Director of Student Services of the incident and provide him/her with all relevant and necessary information and documentation. If appropriate, the school administrator shall also notify law enforcement and/or the Division of Child and Family Services (DCFS) of the incident.

The procedures for due process are designed to protect the rights of students when a disciplinary problem arises. The process is administrative, not judicial. Notification will be given to the student and the parent of the time and place for a hearing and a statement of the alleged act(s) of misconduct. 5. If agreement is not reached, the parent/guardian may submit in writing within fifteen (15) calendar days of the Independent Disciplinary Hearing Officer’s decision a request for a hearing before the District Board of Education. If the Board grants a hearing, it shall be in executive session. Following the hearing, the Board shall give its decision in writing.

At each stage of the proceedings, the hearing officer(s) shall conduct a de novo review, and shall hear the matter anew the same as if it had not been heard before and as if no decision had been previously rendered. Hearing officer(s) may receive and consider new documents, information, and witness testimony. However, upon appeal to the Board, the Board shall only consider the documents, information, and witness testimony presented at the hearing conducted by the Independent Disciplinary Hearing Officer.

Readmission to School: A suspended or expelled student may not be readmitted to school until:

(a) the student and the parents have met with the Executive Director of Student Services to review the suspension; (b) all conditions of the suspension have been satisfied; and (c) the Executive Director of Student Services, student, and parents have agreed upon a plan to avoid recurrence of the problem.

Investigations and Documentation: The investigation and documentation of student incidents by the school administrator should include the following: (a) conduct interviews of students and others who were involved in or witnessed the incident(s); (b) obtain statement from students and other who were involved in or witnessed the incident(s); (c) obtain and secure any relevant evidence; (d) prepare any necessary forms and other documentation; (e) involve District personnel, local law enforcement personnel, and/or DCFS, as applicable; and (f) perform any other tasks necessary to properly investigate and document the student incident(s).

Hearings: Student Disciplinary due process hearings are not as formal as court hearings. Strict adherence to court rules of procedure and evidence are not required. However, certain rights of the student must be observed. The hearing must be impartial, the student is entitled to representation by legal counsel, the student is to be made aware of the general nature of the evidence to be used against him/her, and substantial evidence must be provided.

Right to Counsel: Although a student is entitled to be represented by legal counsel at a hearing, the District is not responsible to provide counsel or pay for the student’s expenses in obtaining counsel.

Evidentiary Rules: Testimony in a student disciplinary due process hearing is not subject to the strict adherence to court rules of evidence. In fact, hearsay testimony is admissible. However, the District’s evidence supporting the disciplinary action must meet the test of “substantial evidence.”

Responsibility of Parents: If a student is suspended or expelled for more than ten (10) school days, the parents are responsible for undertaking an alternative education plan which will ensure that the student’s education continues during the period of suspension or expulsion. The parents can work with designated school personnel to determine how that responsibility might best be met through an alternative educational placement or program offered by or through the District, private education, or other alternative which will satisfy the legal and educational needs of the student. The parents and school personnel may enlist the cooperation of the Division of Child and Family Services (DCFS), the juvenile court, or other appropriate state agencies to meet the student’s educational needs. Costs for educational services which are not provided by the District are the responsibility of the student’s parents.
Student Discipline Procedures for Students with Disabilities (IDEA and 504)

Short-Term Suspensions – Ten (10) consecutive school days or less.

School Administrator: In every situation where an eligible student with a disability under the IDEA or Section 504 is subject to discipline for a violation of District or school policy, the school administrator must first ascertain whether the student has been previously suspended during the current school year. If yes, determine whether the total suspensions cumulate to more than ten (10) school days in the current school year. If the total suspensions do not cumulate to more than ten (10) school days, then proceed with the suspension. If the total suspensions do cumulate to more than ten (10) school days, then the school administrator and staff must determine if the student has been subject to a series of suspensions that constitute a pattern. A “pattern” occurs when: (a) the series of suspensions total more than ten (10) school days in a school year; (b) the student’s behavior is substantially similar to previous incidents that resulted in the series of suspensions; and (c) there are other factors suggesting a pattern, such as the length of each suspension, the total amount of time the student has been suspended, and the proximity in time of those suspensions (i.e., the longer the total number days and the closer they are in proximity, the more likely it would constitute a pattern). If there is a pattern this constitutes a ‘change of placement’ under the IDEA. The school IEP team should conduct a Manifestation Determination.

Manifestation Determination: Within ten (10) school days of any decision to “change the placement” of a student with a disability because of a violation of District or school policy, a determination must be made by the school administrator, parents, and relevant members of the student’s Individual Education Plan (IEP) Team of whether the behavior is a manifestation of the student’s disability by answering the following questions: Whether the conduct in question was caused by, or had a direct and substantial relationship to, the student’s disability? Whether the conduct in question was the direct result of the school’s failure to implement the IEP?

If the answer to both of these questions is “no,” then the behavior is not a manifestation of the student’s disability. In such event, the student shall be disciplined as any other student for a similar offense; provided, however, that the student must continue to receive educational services during any period of suspension to assure that the student is receiving a Free and Appropriate Public Education (FAPE). The IEP Team will determine educational services and the Interim Alternative Educational Setting (IAES) where the student will receive educational services. Educational services should target the student’s behavior to limit its reoccurrence, enable the student to participate in the general education curriculum, and progress towards meeting the student’s IEP goals. In the event the parents of the student challenges the manifestation or placement decision through an expedited due process hearing, the student shall be kept in the IAES pending any such challenge until a final decision is issued.

If the answer to either of these two questions is “yes,” then the behavior is a manifestation of the student’s disability. In such event, the IEP Team must conduct and/or review a Functional Behavior Assessment (FBA) and a Behavior Intervention Plan (BIP) for the student. The IEP Team must return the student to his/her prior educational placement, unless the parent and school personnel agree to a “change of placement” as part of the BIP. Notwithstanding the manifestation determination, in the event that school personnel believe that the student’s behavior is substantially likely to result in injury to the student or others, the District may seek an expedited due process hearing to prevent the student from returning to his/her prior educational placement. In such event, the student shall be placed in an IAES pending the hearing until a final decision is issued.

If a regular education short-term suspension is warranted based on following the processes for a special education student the school administrator shall give the student verbal or written notice of the violation, evidence of the accusation, and the opportunity to present their side of the story. Generally, the notice and informal hearing shall precede the student’s removal from school.

The school administrator shall notify the custodial parent(s) or legal guardian(s) of the student of the following: (a) that the student has been suspended for ten (10) school days or less; (b) the grounds for the suspension; (c) any conditions of the suspension; and (d) the time and place for the parents to meet with the school administrator to review the suspension.
The school administrator shall also notify the non-custodial parent of the student of the suspension, if requested in writing.

The school administrator shall determine the best way to transfer custody of the suspended student to the parents. The school administrator shall then assure that the student is either released directly to the custody of the parents or has obtained permission from the parents for the student to leave school and go home. A suspended student shall immediately leave the school building and grounds. If the parent cannot be reached the student will be maintained within the school until the end of the day.

Disagreements between the parents and the school in regards to regular education short-term suspensions should be handled in meetings between parents, school administrators, and the student, if appropriate. If necessary the appeal process listed below will be followed to allow for due process.

The procedures for due process are designed to protect the rights of students when a disciplinary problem arises. The process is administrative, not judicial. Notification will be given to the student and the parent of the time and place for a hearing and a statement of the alleged act(s) of misconduct. The notice of offenses or charges shall state with reasonable particularity the offense or charge, shall be based upon the information known at the time the notice is issued, and may be subject to amendment upon further investigation or evidence. Due process includes the right to a hearing, the right to counsel, and the right to appeal.

Procedures for hearings and appeals of disciplinary decisions by a parent/guardian are as follows:

1. Discuss the grievance with the teacher or person at the school with whom the disagreement occurred.
2. If agreement is not reached, the parent/guardian may meet with the principal.
3. If agreement is not reached, the parent/guardian may request an informal hearing through the Office of Student Services. The request shall be in writing and within ten (10) calendar days of the school decision and addressed to the Provo City School District, Director of Student Services. The appeal shall be heard within ten (10) school days.
4. If agreement is not reached, the parent/guardian may submit in writing within ten (10) calendar days of the decision and request for a hearing before the Independent Disciplinary Hearing Officer. The appeal shall be heard within ten (10) calendar days and the decision shall be in writing.
5. If agreement is not reached, the parent/guardian may submit in writing within fifteen (15) calendar days of the Independent Disciplinary Hearing Officer’s decision a request for a hearing before the District Board of Education. If the Board grants a hearing, it shall be in executive session. Following the hearing, the Board shall give its decision in writing.

At each stage of the proceedings, the hearing officer(s) shall conduct a de novo review, and shall hear the matter anew the same as if it had not been heard before and as if no decision had been previously rendered. Hearing officer(s) may receive and consider new documents, information, and witness testimony. However, upon appeal to the Board, the Board shall only consider the documents, information, and witness testimony presented at the hearing conducted by the Independent Disciplinary Hearing Officer.

Failure to appeal to the next step in the appeals process within the time limits specified shall be deemed a withdrawal and final disposition of the matter.

Once the aggrieved party has exhausted all of the administrative remedies herein he or she may appeal to a court of law.

Long-term Suspensions. More than ten (10) consecutive school days constitutes a “change of placement” under the IDEA. More than ten (10) cumulative school days in a school year constitutes a “change of placement” under the IDEA if a pattern is established.
School Administrator: Upon being apprised of a student incident in violation of District or school policy that may lead to disciplinary action, a school administrator shall promptly and thoroughly investigate and document the incident. The school administrator shall give the student verbal or written notice of the violation, evidence of the accusation, and the opportunity to present their side of the story. Generally, the notice and informal hearing shall precede the student’s removal from school. On the date of the decision to remove the student from school the school administrator shall provide the parents with notice of the suspension (“change of placement”) and a copy of the IDEA or Section 504 procedural safeguards notice.

Manifestation Determination: Within ten (10) school days of any decision to “change the placement” of a student with a disability because of a violation of District or school policy, a determination must be made by the school administrator, parents, and relevant members of the student’s Individual Education Plan (IEP) Team of whether the behavior is a manifestation of the student’s disability by answering the following questions: Whether the conduct in question was caused by, or had a direct and substantial relationship to, the student’s disability? Whether the conduct in question was the direct result of the school’s failure to implement the IEP?

If the answer to both of these questions is “no,” then the behavior is not a manifestation of the student’s disability. In such event, the student shall be disciplined as any other student for a similar offense; provided, however, that the student must continue to receive educational services during any period of suspension to assure that the student is receiving a Free and Appropriate Public Education (FAPE). The IEP Team will determine educational services and the Interim Alternative Educational Setting (IAES) where the student will receive educational services. Educational services should target the student’s behavior to limit its recurrence, enable the student to participate in the general education curriculum, and progress towards meeting the student’s IEP goals. In the event the parents of the student challenges the manifestation or placement decision through an expedited due process hearing, the student shall be kept in the IAES pending any such challenge until a final decision is issued.

If the answer to either of these two questions is “yes,” then the behavior is a manifestation of the student’s disability. In such event, the IEP Team must conduct and/or review a Functional Behavior Assessment (FBA) and a Behavior Intervention Plan (BIP) for the student. The IEP Team must return the student to his/her prior educational placement, unless the parent and school personnel agree to a “change of placement” as part of the BIP. Notwithstanding the manifestation determination, in the event that school personnel believe that the student’s behavior is substantially likely to result in injury to the student or others, the District may seek an expedited due process hearing to prevent the student from returning to his/her prior educational placement. In such event, the student shall be placed in an IAES pending the hearing until a final decision is issued.

If a regular education long-term suspension is warranted based on following the processes for a special education student the school administrator shall give the student verbal or written notice of the violation, evidence of the accusation, and the opportunity to present their side of the story. Generally, the notice and informal hearing shall precede the student’s removal from school.

The school administrator shall notify the custodial parent(s) or legal guardian(s) of the student of the following: (a) that the student has been suspended for ten (10) school days or less; (b) the grounds for the suspension; (c) any conditions of the suspension; and (d) the time and place for the parents to meet with the school administrator to review the suspension.

The school administrator shall also notify the non-custodial parent of the student of the suspension, if requested in writing.

The school administrator shall determine the best way to transfer custody of the suspended student to the parents. The school administrator shall then assure that the student is either released directly to the custody of the parents or has obtained permission from the parents for the student to leave school and go home. A suspended student shall immediately leave the school building and grounds. If the parent cannot be reached the student will be maintained within the school until the end of the day.
The procedures for due process are designed to protect the rights of students when a disciplinary problem arises. The process is administrative, not judicial. The notice of offenses or charges shall state with reasonable particularity the offense or charge, shall be based upon the information known at the time the notice is issued, and may be subject to amendment upon further investigation or evidence. Due process includes the right to a hearing, the right to counsel, and the right to appeal.

Procedures for hearings and appeals of disciplinary decisions by a parent/guardian are as follows:

1. Discuss the grievance with the teacher or person at the school with whom the disagreement occurred.
2. If agreement is not reached, the parent/guardian may meet with the principal.
3. If agreement is not reached, the parent/guardian may request an informal hearing through the Office of Student Services. The request shall be in writing and within ten (10) calendar days of the school decision and addressed to the Provo City School District, Director of Student Services. The appeal shall be heard within ten (10) school days.
4. If agreement is not reached, the parent/guardian may submit in writing within ten (10) calendar days of the decision and request for a hearing before the Independent Disciplinary Hearing Officer. The appeal shall be heard within ten (10) calendar days and the decision shall be in writing.
5. If agreement is not reached, the parent/guardian may submit in writing within fifteen (15) calendar days of the Independent Disciplinary Hearing Officer’s decision a request for a hearing before the District Board of Education. If the Board grants a hearing, it shall be in executive session. Following the hearing, the Board shall give its decision in writing.

At each stage of the proceedings, the hearing officer(s) shall conduct a de novo review, and shall hear the matter anew the same as if it had not been heard before and as if no decision had been previously rendered. Hearing officer(s) may receive and consider new documents, information, and witness testimony. However, upon appeal to the Board, the Board shall only consider the documents, information, and witness testimony presented at the hearing conducted by the Independent Disciplinary Hearing Officer.

Failure to appeal to the next step in the appeals process within the time limits specified shall be deemed a withdrawal and final disposition of the matter. Once the aggrieved party has exhausted all of the administrative remedies herein he or she may appeal to a court of law.

Responsibility of Parents: If a student is suspended or expelled for more than ten (10) school days, the parents are responsible for undertaking an alternative education plan which will ensure that the student’s education continues during the period of suspension or expulsion. The parents can work with designated school personnel to determine how that responsibility might best be met through an alternative educational placement or program offered by or through the District, private education, or other alternative which will satisfy the legal and educational needs of the student. The parents and school personnel may enlist the cooperation of the Division of Child and Family Services (DCFS), the juvenile court, or other appropriate state agencies to meet the student’s educational needs. Costs for educational services which are not provided by the District are the responsibility of the student’s parents.

Weapons, Drugs, or Serious Bodily Injury: Regardless of whether the misconduct is a manifestation of the student’s disability, school personnel may remove a student with a disability for up to forty-five (45) days to an IAES if the student’s misconduct involved: (a) possessing or using a weapon at school, on school premises, or at a school function; OR (c) inflicting serious bodily injury upon another person while at school, on school premises, or at a school function. For purposes of this section, the term “weapon” is defined as a weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily injury,
except that such term does not include a pocket knife with a blade of less than 2 ½ inches in length. For purposes of this section, the terms “illegal drugs” or “controlled substances” have definitions contained in federal law, but do not include a substance that is legally possessed or used under the supervision of a licensed health care professional or that is legally possessed or used under any other authority under federal law. For purposes of this section, words “serious bodily injury” is defined as bodily injury which involves: (a) a substantial risk of death; (b) extreme physical pain; (c) protracted and obvious disfigurement; or (d) protracted loss or impairment of the function of a bodily member, organ, or mental faculty.

Expulsions. Board of Education removal of a student from school for a fixed (more than ten (10) consecutive school days) or indefinite period of time. The expelled student will not receive any educational services from the District during the period of expulsion. Students with disabilities eligible under the IDEA are not subject to expulsion as a disciplinary measure. For a serious violation committed by an IDEA student, proceed with a long-term suspension.
TITLE IX GRIEVANCE PROCEDURES

Title IX was the first comprehensive federal law to prohibit sex discrimination against students and employees of educational institutions. Title IX benefits both males and females and is at the heart of efforts to create gender equitable schools. The law requires educational institutions to maintain policies, practices, and programs that do not discriminate against anyone based on sex. Under this law, males and females are expected to receive fair and equal treatment in all arenas of public schooling: recruitment, admissions, educational programs and activities, course offerings and access, counseling, financial aid, employment assistance, facilities and housing, health and insurance benefits, marital and parental status, scholarships, sexual harassment, and athletics.

In compliance with applicable federal (Title IX) and state law, it is the policy of Provo City School District to investigate promptly and resolve equitably all complaints and reports of discrimination on the basis of race, sex, religion, age, national origin, disability, privacy and any other alleged violation of civil rights in the District’s educational programs and activities. Provo City School District does not discriminate on the basis of sex in admission or employment in educational programs or activities.

The Director of Student Services is designated as the Title IX Coordinator. For questions concerning Title IX regulations, contact the U.S. Department of Education Office for Civil Rights or the Title IX Coordinator.

It is the policy of Provo City School District to protect the due process rights of all individuals involved with a report of discrimination or civil rights violation. The process is administrative, not judicial. Due process includes the right to a hearing, the right to counsel, and the right to appeal.

Provo City School District respects the privacy and anonymity of all individuals. However, an individual’s right to confidentiality must be balanced with the District’s obligation to take appropriate disciplinary or legal action and/or cooperate with police investigations or legal proceedings. Provo District retains the right to disclose the identity of individuals in appropriate circumstances.

Notification will be given to the individual(s) of the time and place for a hearing and a statement of alleged discrimination or civil rights violation. The notice of offenses or charges shall be based upon the information known at the time the notice is issued and may be subject to amendment upon further investigation or evidence.
The Title IX Coordinator will monitor the procedures of this policy. Procedures for discrimination or civil rights violations are as follows:

1. Every effort should be made to handle complaints at the site of incidence. Grievances shall be in writing, using the Discrimination Grievance Form, and submitted to the site administration within thirty (30) calendar days of the incident. The site administration will follow informal investigation and resolution procedures.

2. If the complaint is not resolved, the individual may request an informal hearing before the Title IX Coordinator. The request shall be in writing and submitted within fifteen (15) calendar days of the site administration investigation. The complaint shall be heard within ten (10) school days.

3. If the grievance is not resolved, the individual may request a formal hearing before the Superintendent. The request shall be in writing and submitted within fifteen (15) calendar days of the Title IX hearing. The grievance shall be heard within fifteen (15) calendar days and the decision shall be in writing.

4. If the grievance is not resolved, the individual may request a formal hearing before the District Board of Education. The request shall be in writing and submitted within fifteen (15) calendar days of the Superintendent hearing. The formal hearing before the Board will be held in executive session. The grievance shall be heard within fifteen (15) calendar days and the decision shall be in writing.

5. If the grievance is still not resolved, the individual may appeal to a court of law. Judicial action must be commenced within thirty (30) calendar days after the written decision of the Board or the right to judicial review will be forfeited.

All hearings will be limited to two hours. The Hearing Officer will place appropriate time restriction on the hearing proceedings to ensure all parties equal representation in the allotted time.

At each stage of the proceedings the district representative may:

1. Conduct a de novo review and hear the matter anew the same as if it had not been heard before and as if no decision had been previously rendered;
2. Receive and consider new documents, information and witness testimony.

However, upon appeal to the Board of Education, the Board shall only consider the documents, information and witness testimony presented at the hearing conducted by the Superintendent. Failure to appeal to the next step in the appeals process within the time limit specified shall be deemed a withdrawal and final disposition of the grievance.

Provo City School District does not tolerate retaliation or intimidation of any kind towards anyone filing grievances under this procedure. Such retaliation and intimidation violates the District Safe Schools Policy and also may violate state and federal law. All participating parties will be informed of their right to be free from retaliation and intimidation.

Provo City School District will take swift and strict disciplinary action against any individual who retaliates against an appellant or who retaliates against a person who testifies, assists, or participates in an investigation proceeding or hearing in connection with an appeal. Retaliation and intimidation may include, but is not limited to, any form of physical or verbal intimidation, reprisal, coercion, discrimination, physical or verbal harassment, threats, extortion, blackmail, or unwanted sexual contact.
