

PROVO HIGH SCHOOL ***FIGHT THE NEW DRUG*** **PARENT NIGHT**

Provo High School proudly welcomes Fight The New Drug!

Fight the New Drug is a worldwide non-profit organization that exists to provide individuals the opportunity to make an informed decision regarding pornography by raising awareness on its harmful effects using only science, facts, and personal accounts. They have been featured on ABC Nightline, CNN, Dr. Drew, USA Today, and many other major news outlets.

Please attend this parent meeting so you can become educated on how to protect your family from the harms of pornography, learn more about talking to your children about avoiding pornography, and understand the resources available to help prevent and overcome pornography addiction.

***This event will be Thursday, March 8th from 6:00pm - 7:00pm
in the Provo High School Commons***

All parents are invited to attend this presentation, regardless of whether or not your student attends Provo High School. We welcome ALL members of the Provo School District community and PHS family to attend.

We can't wait to see you there!
