Dear Provo High School Community,

Like many of you, I am truly excited for the school year to begin at Provo High School! So much has happened over the past year and we acknowledge how difficult the past year was for everyone in our community. Now, we look forward to the future and the ability to return to life without so many restrictions. A few things have changed at PHS this summer. Several beloved teachers and staff members have moved on to other places, and we have also welcomed new faces to the school. We extend a welcome to all of our incoming 9<sup>th</sup> grade students, and a special welcome to anyone new to the Provo High School Community.

I am honored to be the new Principal at Provo High School this year. I have the privilege of knowing many of you already, and I look forward to being at school every day with our students, parents, and staff members. Though we face some challenges, I truly believe that our community is exceptional in many ways. Our school is an integral part of our community for current students, alumni, businesses, and other community members. It reflects what we value and where many of our priorities can be found. I look forward to the future as the Principal at Provo High School, and I look forward to working with all of you to do great things at our school and within this community.

We are excited to announce that we will return to a full-time, on campus learning experience again. Our local board of education has given that direction and we are all excited to have students at the school. Though some teachers may continue to utilize CANVAS to help deliver instructional activities, we will meet in person Monday – Friday.

Enclosed in this mailing you will find several informational items to help you prepare for the 2021-2022 school year. Please take some time to review these materials with your student(s). Additional information can always be found on our school webpage ([www.provohigh.provo.edu](http://www.provohigh.provo.edu)), or by contacting a member of our staff at the school.

If I can be of any assistance, please feel free to contact me, or any member of our staff at the school (801) 373-6550 or by email ([jarods@provo.edu](mailto:jarods@provo.edu)). Please enjoy the remaining days of summer break and know that we are all working hard and preparing for the return of our 2000 students on August 18<sup>th</sup>.

Best Wishes!

Estimada comunidad de Provo High School,

Como muchos de ustedes, estoy muy emocionado de comenzar el año escolar en Provo High School. Han sucedido muchas cosas durante el año pasado y reconocemos lo difícil que fue el año pasado para todos en nuestra comunidad. Ahora, miramos hacia el futuro y la posibilidad de volver a la vida sin tantas restricciones. Algunas cosas han cambiado en PHS este verano. Varios queridos maestros y miembros del personal se han mudado a otros lugares, y también hemos dado la bienvenida a nuevas caras a la escuela. Extendemos una bienvenida a todos los estudiantes que ingresan al noveno grado y una bienvenida especial a las personas nuevas en la comunidad de Provo High.

Es un honor para mí ser el nuevo director de Provo High este año. Tengo el privilegio de ya conocer a muchos de ustedes y espero estar en la escuela todos los días con nuestros estudiantes, padres y miembros del personal. Aunque enfrentamos algunos desafíos, realmente creo que nuestra comunidad es excepcional en muchos sentidos. Nuestra escuela es una parte integral de nuestra comunidad para los estudiantes actuales, ex alumnos, empresas y otros miembros de la comunidad. Refleja lo que valoramos y es dónde se pueden encontrar muchas de nuestras prioridades. Espero con ansias el futuro como director de Provo High School, y espero trabajar con todos ustedes para hacer grandes cosas en nuestra escuela y dentro de esta comunidad.

Nos complace anunciar que volveremos a tener una experiencia de aprendizaje en el campus a tiempo completo. Nuestra junta de educación local ha dado esa dirección y todos estamos emocionados de tener estudiantes en la escuela. Aunque algunos maestros pueden seguir utilizando CANVAS para ayudar a impartir actividades de instrucción, nos reuniremos en persona de lunes a viernes.

Adjunto a este correo, encontrará varios artículos informativos que lo ayudarán a prepararse para el año escolar 2021-2022. Tómese un momento para revisar estos materiales con su (s) estudiante (s). Siempre se puede encontrar información adicional en la página web de nuestra escuela ([www.provohigh.provo.edu](http://www.provohigh.provo.edu)), o comunicándose con un miembro de nuestro personal en la escuela.

Si puedo ser de ayuda, no dude en comunicarse conmigo o con cualquier miembro de nuestro personal en la escuela al (801) 373-6550 o por correo electrónico ([jarods@provo.edu](mailto:jarods@provo.edu)). Por favor, disfrute los últimos días de las vacaciones de verano y sepa que todos estamos trabajando duro y preparándonos para el regreso de nuestros 2000 estudiantes el 18 de agosto.

¡Los mejores deseos!
