- **CLASSES SUBJECT UPON AVAILABILITY**
- **CLASS SCHEDULE MAY CHANGE AT ANY TIME**

Students taking year-long Concurrent Enrollment classes must stay in their class the entire year in order to receive college credit. Students who drop after the drop dates will receive a “UW” on their college transcript. This may negatively impact their college SAP (Student Academic Progress) scores, which in turn may negatively impact scholarships and financial aid.

*ENGL 1010 is for Seniors students only – students must have an ACT English and Reading Score of 19 or higher OR 18 on Reading and 20 in English OR 20 in Reading and 18 In English, OR qualify with the UVU Accuplacer Exam (250+ on both sections). All students in the class must register for college credit.

*CS 1400 – CS 1030 Highly Recommended

*MATH 1010 requires students to complete SM 1,2, and 3 with a C average GPA OR have an ACT score of 19 or higher in Math OR a student can qualify with the UVU ALEKS exam score (30+). All students in the class must register for college credit.

*Math 1050 requires students to have an ACT Math score of 23 or higher or a student can qualify with the UVU ALEKS exam score (46+). All Students in the class must register for college credit.

*Math 1060 requires students to successfully complete Math 1050 with a C or better OR an ACT score of 25+. All students in the class must register for the college credit

*CE Chemistry recommended for Juniors and Seniors only. All students in the class must register for the college credit prior to the first day of classes.

** **Medical Anatomy and EMR/Medical Terminology alternate every other year.**

Live Interactive Courses/ (Distance Education)

Managed and facilitated by Utah Valley University's Office of Extended Studies, University and Concurrent Enrollment high school students can participate in classes taught in real-time from a variety of regional sites via a fully interactive video conference. Each student can ask questions, interact, and communicate with their instructor and fellow classmates who are participating from multiple locations as if they were all in the same classroom.
